MY BACK PAIN IS (circle number)

No Pain  Slight  Mild  Moderate  Severe  Excruciating  Pain as bad as it could be

MY LEG PAIN IS (circle number)

No Pain  Slight  Mild  Moderate  Severe  Excruciating  Pain as bad as it could be

Please mark the areas on the diagram where you are having symptoms and the location where the symptoms radiate.

Please use the following symbols to indicate the type of symptoms and the location of the symptoms:

Pain= ------------------------------
Pins and Needles= 00000000
Numbness= XXXXXXXXXXXX
7. **How does your pain travel:** □ Stays in my BACK  □ Starts in the BACK and goes down the LEG  
8. **The worst position for pain is:** □ No pain  □ Sitting  □ Standing  □ Walking  
9. **Bending forward?** □ Increases the pain  □ Decreases the pain  □ No effect  
10. **Lying down?** □ Increases the pain  □ Decreases the pain  □ No effect  
11. **How many minutes can you STAND without pain?** □ 0-10  □ 15-30  □ 30-60  □ 60+  
12. **How many minutes can you WALK without pain?** □ 0-10  □ 15-30  □ 30-60  □ 60+  
13. **Does coughing or sneezing increase your symptoms?** □ Yes  □ No  
14. **Do you have difficulty with bowel or bladder control?** □ No  □ Yes; since_____________  
15. **Have you missed work because of your symptoms?** □ No □ Yes; how much time _______  
16. **Previous treatments for my condition have included:** (check any boxes that apply)  
   □ Nothing  (no medicines, therapy, manipulations, injections, or braces)  
   □ Physical therapy: did it help relieve your symptoms?______________  
   □ Chiropractic manipulation: did it help relieve your symptoms?______________  
   □ Braces; did it help relieve your symptoms?______________  
   □ Spine injections: How many injections have you had?______________  
      For how long did the injections relieve your pain?______________  
   □ Surgery  
      How many surgeries have you had on your BACK?______________  
      When was/were the surgery(ies) on your BACK?__________________________  
      Did surgery relieve your symptoms?__________________________  
   □ Other treatment:______________________________________  
17. **Previous doctors seen for your spine problem:** □ None

Modified Oswestry Low Back Pain Disability Questionnaire

This questionnaire has been designed to give your doctor information as to how your back symptoms have affected your ability to manage in everyday life. Please answer every question by placing a mark in the one box that best describes your condition today. We realize you may feel that two of the statements may describe your condition, but please mark only the box that most closely describes your current condition.

**Pain Intensity**
- I can tolerate the pain I have without having to use pain medication
- The pain is bad, but I can manage without having to take pain medication
- Pain medication provides me with complete relief from pain
- Pain medication provides me with moderate relief from pain
- Pain medication provides me with little relief from pain
- Pain medication has no effect on my pain

**Personal Care (e.g., Washing, Dressing)**
- I can take care of myself normally without causing increased pain
- I can take care of myself normally, but it increases my pain
- It is painful to take care of myself and I am slow and careful
- I need help, but I am able to manage most of my personal care
- I need help every day in most aspects of self care
- I do not get dressed, I wash with difficulty and stay in bed

**Lifting**
- I can lift heavy weights without increased pain
- I can lift heavy weights but it gives increased pain
- Pain prevents me from lifting heavy weights off the floor, but I can manage if the weights are conveniently positioned (e.g., on a table)
- Pain prevents me from lifting heavy weights, but I can manage light to medium weights if they are conveniently positioned
- I can lift only very light weights
- I cannot lift or carry anything at all

**Walking**
- Pain does not prevent me from walking any distance
- Pain prevents me from walking more than 1 mile
- Pain prevents me from walking more than ½ mile
- Pain prevents me from walking more than ¼ mile
- I can only walk with crutches or a cane
- I am in bed most of the time and have to crawl to the toilet

**Sitting**
- I can sit in any chair as long as I like
- I can only sit in my favorite chair as long as I like
- Pain prevents me from sitting for more than 1 hour
- Pain prevents me from sitting for more than ½ hour
- Pain prevents me from sitting for more than 10 minutes
- Pain prevents me from sitting at all

**Standing**
- I can stand as long as I want without increased pain
- I can stand as long as I want, but it increases my pain
- Pain prevents me from standing more than 1 hour
- Pain prevents me from standing more than ½ hour
- Pain prevents me from standing more than 10 minutes
- Pain prevents me from standing at all

**Sleeping**
- Pain does not prevent me from sleeping well
- I can sleep well only by using pain medication
- Even when I take pain medication, I sleep less than 6 hours
- Even when I take pain medication, I sleep less than 4 hours
- Even when I take pain medication, I sleep less than 2 hours
- Pain prevents me from sleeping at all

**Social Life**
- My social life is normal and does not increase my pain
- My social life is normal, but it increases my level of pain
- Pain prevents me from participating in more energetic activities (e.g., sports, dancing)
- Pain prevents me from going out very often
- Pain has restricted my social life to my home
- I have hardly any social life because of my pain
Traveling

☐ I can travel anywhere without increased pain
☐ I can travel anywhere, but it increases my pain
☐ My pain restricts my travel over 2 hours
☐ My pain restricts my travel over 1 hour
☐ My pain restricts my travel to short necessary journeys under ½ hour
☐ My pain prevents all travel except for visits to the physician/therapist or hospital

Employment/Homemaking

☐ My normal homemaking/job activities do not cause pain
☐ My normal homemaking/job activities increase my pain, but I can still perform all that is required of me
☐ I can perform most of my homemaking/job duties, but pain prevents me from performing more physically stressful activities (e.g., lifting, vacuuming)
☐ Pain prevents me from doing anything but light duties
☐ Pain prevents me from doing even light duties
☐ Pain prevents me from performing any job or homemaking chores

Zurich Claudication Questionnaire

Please read: This questionnaire has been designed to give the doctor information as to how your back symptoms have affected your ability to manage in everyday life. Please answer every section and mark in each section only the ONE box that applies to you. We realize you may consider that two of the statements in any one section related to you, but please just mark the box that most closely describes your problem.

Symptom Severity Scale
1. The pain you have had on average including the pain in your back, buttocks and pain that goes down your legs:
   - Very Severe
   - Severe
   - Moderate
   - Mild
   - None

2. How often have you had, back, buttoc, or leg pain?
   - Every minute of the day
   - Everyday for most of the day
   - Everyday, for at least a few minutes
   - At least once a week
   - Less than once a week

3. The pain in your back or buttocks?
   - Very Severe
   - Severe
   - Moderate
   - Mild
   - None

4. The pain in your legs or feet?
   - Very Severe
   - Severe
   - Moderate
   - Mild
   - None

5. Numbness or tingling in your legs or feet?
   - Very Severe
   - Severe
   - Moderate
   - Mild
   - None

6. Weakness in your legs or feet?
   - Very Severe
   - Severe
   - Moderate
   - Mild
   - None

7. Problems with your balance?
   - Yes, often I feel my balance is off, or that I’m not sure footed
   - Yes, sometimes I feel my balance is off, or that I’m not sure footed
   - No, I have had no problems with balance

Physical Function Scale
8. How far have you been able to walk?
   - Less than 50 feet
   - Over 50 feet, but less than 2 blocks
   - Over 2 blocks, but less than 2 miles
   - Over 2 miles

9. Have you taken walks outdoors or in malls?
   - No
   - Yes, but always with pain
   - Yes, but sometimes with pain
   - Yes, comfortably

10. Have you been shopping for groceries other items?
    - No
    - Yes, but always with pain
    - Yes, but sometimes with pain
    - Yes, comfortably

11. Have you walked around the different rooms in your house or apartment?
    - No
    - Yes, but always with pain
    - Yes, but sometimes with pain
    - Yes, comfortably
12. Have you walked from your bedroom to the bathroom?
   □ No
   □ Yes, but always with pain
   □ Yes, but sometimes with pain
   □ Yes, comfortably

<tr>
<td>9. What is your current level of work/school activity?</td>
<td>100% normal, 75% normal, 50% normal, 25% normal, 0% normal</td>
</tr>
</tbody>
</table>
10. Which of the following best describes the appearance of your trunk; defined as the human body except for the head and extremities?
- Very good
- Good
- Fair
- Poor
- Very Poor

12. Which one of the following best describes your pain medication use for back pain?
- None
- Non-narcotics weekly or less (e.g., aspirin, Tylenol, Ibuprofen)
- Non-narcotics daily
- Narcotics weekly or less (e.g. Tylenol III, Lorcet, Percocet)
- Narcotics daily

13. Does your back limit your ability to do things around the house?
- Never
- Rarely
- Sometimes
- Often
- Very Often

14. Have you felt calm and peaceful during the past 6 months?
- All of the time
- Most of the time
- Some of the time
- A little of the time
- None of the time

15. Do you feel that your back condition affects your personal relationships?
- None
- Slightly
- Mildly
- Moderately
- Severely

16. Are you and/or your family experiencing financial difficulties because of your back?
- Severely
- Moderately
- Mildly
- Slightly
- None

17. In the past 6 months have you felt down hearted and blue?
- Never
- Rarely
- Sometimes
- Often
- Very often

18. In the last 3 months have you taken any days off of work, including household work, or school because of back pain?
- 0 days
- 1 day
- 2 days
- 3 days
- 4 or more days

19. Does your back condition limit your going out with friends/family?
- Never
- Rarely
- Sometimes
- Often
- Very often

20. Do you feel attractive with your current back condition?
- Yes, very
- Yes, somewhat
- Neither attractive nor unattractive
- No, not very much
- No, not at all
21. Have you been a happy person during the past
☐ None of the time
☐ A little of the time
☐ Some of the time
☐ Most of the time
☐ All of the time

22. Are you satisfied with the results of your back management?
☐ Very satisfied
☐ Satisfied
☐ Neither satisfied nor unsatisfied
☐ Unsatisfied
☐ Very unsatisfied

23. Would you have the same management again if you had the same condition?
☐ Definitely yes
☐ Probably yes
☐ Not sure
☐ Probably not
☐ Definitely not
